

FLAT PEACHES

Flat (Donut-style) peaches are unique in both appearance and in their flavor. These peaches have clingy stones, but it really doesn't much matter because you can easily snack on these as you eat around the pit.

FLAT PEACH VARIETIES AND APPROXIMATE RIPENING DATES:

BuenOs	July 4
BuenOs II	July 7
TangOs	July 10
TangOs II	July 13

NECTARINES

Nectarines are a type of peach which has smooth skin (no fuzz). Eat or use nectarines just as you would any peach. All our nectarine varieties are yellow-fleshed and freestone.
